

## 2005 Western Region Sunshine Awards

Congratulations on the selection of **Alter Valley School District** as a 2005 Western Region Sunshine Award winner for the summer meals program in the category of Innovative Ways to Raise Site Participation. They were selected in recognition of their efforts to promote summer meals, partner with county libraries to provide reading programs, provide job training for teens, and to serve rural areas.

**Amado Community Food Bank** was also selected as a 2005 Western Region Sunshine Award winner for the summer meals program in the category of Innovative Ways to Raise Site Participation. They were selected in recognition of efforts to partner with other community organizations to promote the program, increase the number of meals sites, and ensure children had access to a meal all summer long.

Both sponsors received a certificate and banner in recognition of their hard work and support.
